

# SMARTfuel

## Clunie Community Center

601 Alhambra Boulevard · Sacramento, CA 95816

July 17, 2014 · 5:00-8:30pm

Join the movement - be part of the greening of Sacramento - join Sacramento Sustainability Forum 2.0 for an evening of innovation, inspiration, and wonder exploring our region's Smart Fuels. Help create the Smart Fuel vision for Sacramento. Your voice counts!

The inspired evening includes a showcase of leading alternative transportation and green energy options, educational exhibits, networking featuring locally grown foods, an interactive panel discussion with leading perspectives, a bike valet, officials on tap to talk green, a session for your input into the Smart Fuels vision for Sacramento, Chalk It Up activities for kids and artists, live music, local pop-up sustainable-fueled exhibitors, and a food waste drop off to be an active part of "farm to fork to fuel."

### PROGRAM
